

This tribute card, used by friends of the Jesuit Partnership in support of the Wisconsin Province of the Society of Jesus, promotes a fellowship of prayer and support for the mission of the Jesuits.

SEEDS OF FAITH

The "Seeds of Faith" tribute program assists in securing charitable contributions to support the recruitment, training and education of Jesuits; care for elder and infirm Jesuits; and the promotion of national and international ministries of faith, justice and education.

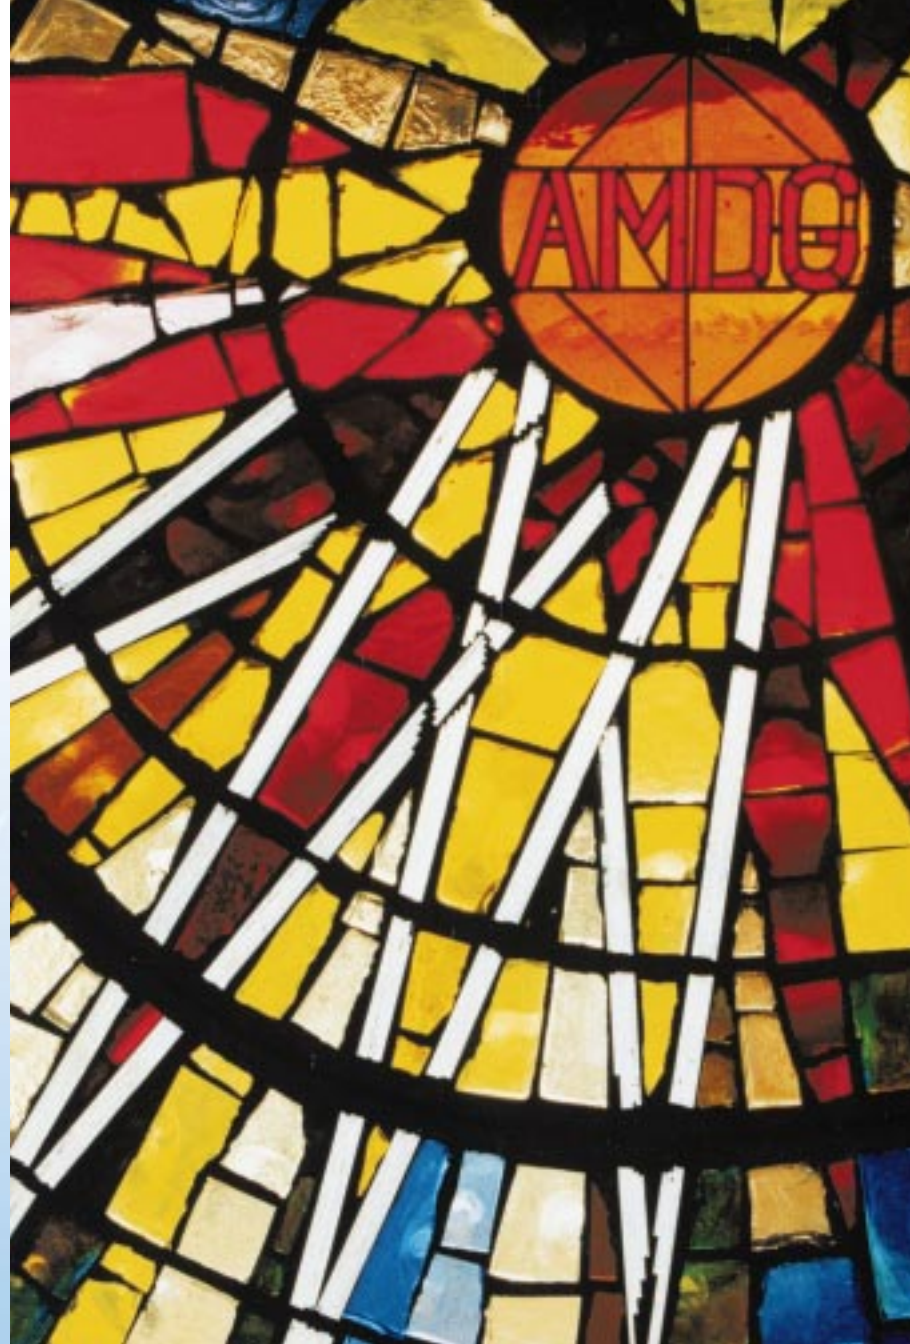

Like Jesuits worldwide, Wisconsin Province Jesuits are devoted to accompanying others to Christ while cultivating and living a faith in which the promotion of justice is an absolute requirement. The service of faith and the promotion of justice constitute one and the same mission of the Society.
